So begins A Little History of the World, an engaging and lively book written for readers both young and old. Rather than focusing on dry facts and dates, E. H. Gombrich vividly brings the full span of human experience on Earth to life, from the stone age to the atomic age. He paints a colorful picture of wars and conquests; of grand works of art; of the advances and limitations of science; of

Love this little book, I bought this for my childminding setting and although I myself am white I feel like black people particularly women are underrepresented in history and it's amazing to be able to look through the many achievements and accomplishments that some of these women have made. I think it's important to have strong positive role models for anyone who walks through my door ...

The "Little Rock Nine," as the nine teens came to be known, were to be the first African American students to enter Little Rock's Central High School. Three years earlier, following the Supreme Court ruling, the Little Rock school board pledged to voluntarily desegregate its schools. This idea was explosive for the community and, like much of the South, it was fraught with anger and bitterness ...

Bates took on the responsibility of preparing the “Little Rock Nine” for the violence and intimidation they would face inside and outside the school. She taught the students non-violent tactics and even became actively involved with Central High School’s Parent organization. When the students were barred from entering the school the first time, Bates created a strategy to protect them ...

On balance, the Little Ice Age affected northern European history in different ways. Regions that diversified agriculture and had good access to the international trade network, like Britain and the Low Countries, could cope quite easily with increasingly severe weather conditions. They could import food when harvests failed. Trade also gave them the financial base to develop technological ...

My article traces the history of this Christmas Carol 'The Little Drummer Boy' by the light of my Twenty First Century candle! How This Song Became a Christmas Carol. It was Katherine Kennicott Davis from St. Joseph, Missouri (1892–1980)—composer of more than 600 hymns and songs for choirs—who composed 'The Carol of The Drum' (in 1941) which was to get into the hit parade (as 'The Little ...
